Arches

The movement of m and n: curve up, then come straight down.

● starting point · Line 1: look, then trace · Lines 2–3: trace · Lines 4–6: on your own

SWING-UP LETTERS

The letter i

Swing up, slide back down, then swing up. Add the dot at the end.

iii iii iii iii iii

iii iii iii iii iii

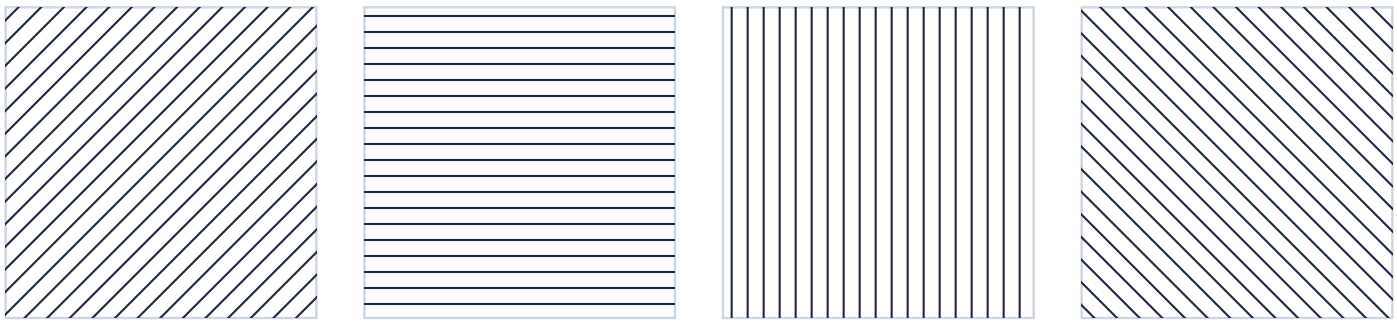

iii

milk city

Line 1: look at the dark model, then trace · Line 2: trace · Lines 3-4: on your own · Line 5: words · Line 6: on your own

Hatching

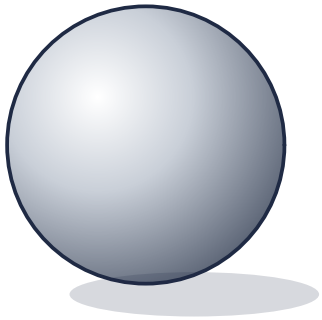

Parallel lines, even and close together. Fill each box in the model's direction.

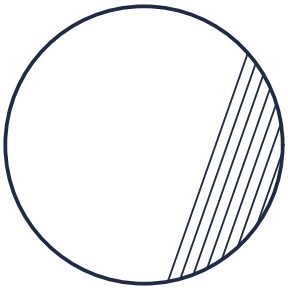

Dark model · dotted lines: trace · empty spaces: your turn

From circle to sphere

Light comes from the top left: the shadow settles at the bottom right.

Dark model · dotted lines: trace · empty spaces: your turn

Sail the boat

Follow the waves, nice and smooth.

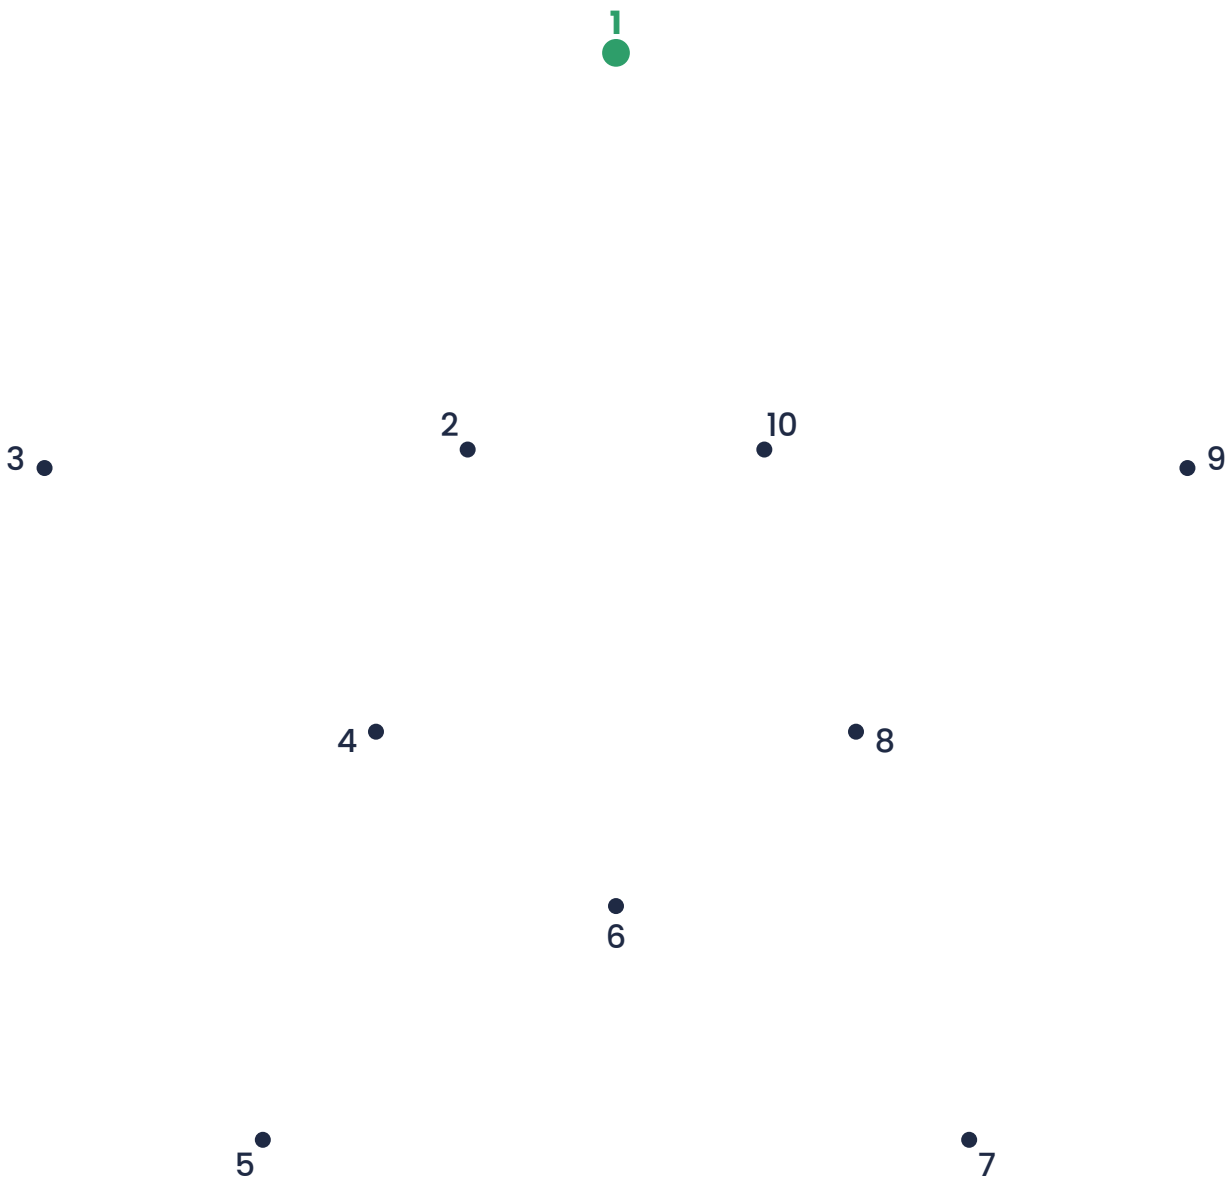

Start at the green dot and follow the path, from left to right.

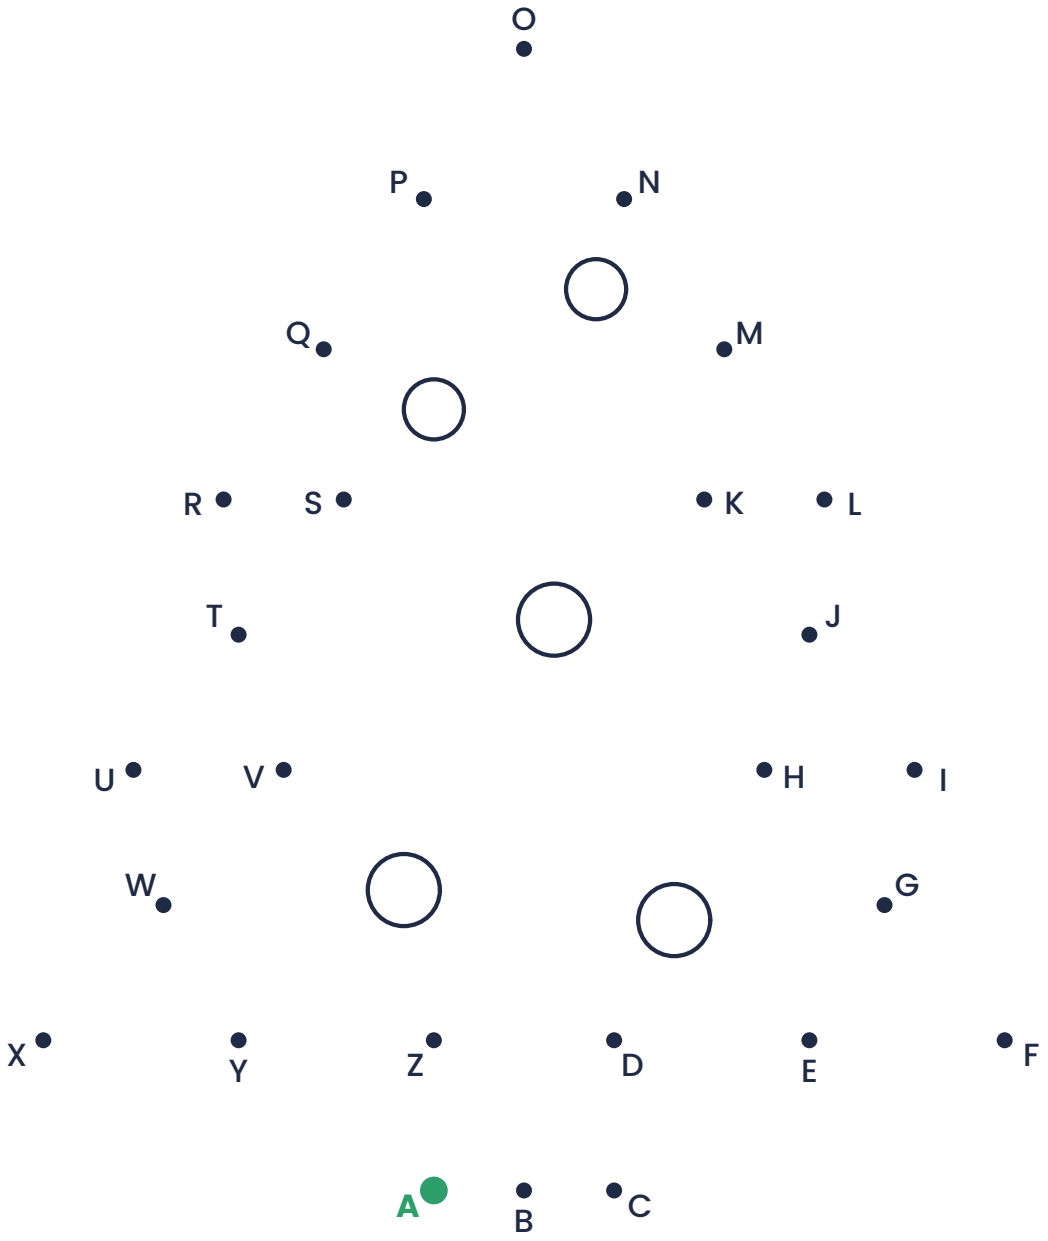

Connect the dots from 1 to 10

What is it? _____

Then color your picture!

Connect the letters from A to Z
